April 2023

This newsletter is an **internal update** for our committee members.

Stay tuned for helpful links, dates to mark on your calendar, and ways to help move us towards our goals!

April Updates

Thank you for your contributions to the Learning Collaborative! Here's what we've been up to between meetings:

Advisory Structure Recruitment

- New members are joining both the Older Adult Subcommittee and the Steering Committee!

Focus Group Preparation

- We are recruiting older adults, caregivers of older adults, students, and researchers with a range of experience in engagement for our Focus Groups to discuss our [Video Series](#)
- Our Focus Group protocol is currently being reviewed by the UMass Institutional Review Board (IRB)
- Learn more about IRBs [here](#)

Upcoming Activities

- **Steering Committee:** May 19th 2-3pm EST
- **Older Adult Subcommittee:** May 30th 10:30-12 am EST
- **Focus Groups:** This Spring, date to be determined

Training and Mentorship Launch

- We are launching our [Training and Mentorship program](#), which offers free 1:1 and small group support to researchers and students interested in conducting engaged research
- Look forward to recruitment this May!
